Praise for BUTTERFLY SWORDS

"Swords, warrior princesses, and a barbarian to love! *Butterfly Swords* was a delight!"

-- **Jade Lee, USA Today bestseller**

"In *Butterfly Swords*, Jeannie Lin tells a classic tale of courage, adventure, and impossible love—and she sets it in a fascinating new world: Tang China, where a warrior princess must fight for her family and her country with only a barbarian swordsman to help her. Jeannie Lin is a fresh new voice in historical romance, and *Butterfly Swords* rocks!"

-- **Mary Jo Putney, New York Times bestseller, author of *Never Less Than a Lady***

"The especially vibrant writing describing the culture, clothes, and countryside saves this from being just another tale of impossible love."

-- **Publishers Weekly starred review**

"If you are looking for a rich, radiant story slightly different than your standard fare, look no further. This is an epic tale of princesses and warriors, foreigners in exotic lands, and honor and chivalry. A wonderful tale that leaves one hungering for more by this author."

-- **All About Romance, Maggie Boyd**

"If *Crouching Tiger, Hidden Dragon* merged with *A Knight's Tale*, you'd have the power and romance of Lin's dynamic debut. The action never stops, the love story is strong and the historical backdrop is fascinating."

-- **Romantic Times Book Reviews, Kathe Robin**

"*Butterfly Swords* is a fantastic adventure, where a swords-wielding heroine and a blue-eyed barbarian will fight anything standing in their path. Jeannie Lin will take you on a trip to China you will not forget."

-- **Book Lovers' Inc, Caroline**

Praise for THE TAMING OF MEI LIN

“A welcome change from European-set historical romance fare.”

-- **Romantic Times Book Reviews, Dawn Crowne**

“Jeannie Lin’s beautiful writing style drew me so deeply in to this fascinating time period. The language is sensuous, the tension almost unbearable, and the plot twisty as a snake.”

-- **The Season, Katrina**

“I just loved everything about this very short, hot and well done novella.”

-- **Maldivian Book Reviewer**
